**Amendment No. 4 to Amendment 3**

*(The amendment changes the sewer system provision for the Developer Rights and Responsibilities Agreement.)*

- 1 On page 1, strike lines 15 through line 1 on page 2, in their entirety and substitute:  
2 “(g) a method to assure wastewater treatment is provided to minimize increases in flow  
3 and the nutrient concentration in flow sent to the Little Patuxent WRP, and that the  
4 selected solution addresses and considers the impact on County residents and the County  
5 with respect to odor, transportation of sludge, capital costs, and operating costs, or  
6 funding of a fair share contribution for sewage treatment and disposal for systemic  
7 reduction of flow and nutrient concentration as directed by the County.”
